

## **ATLAS OF ANCHORAGE COMMUNITY INDICATORS**

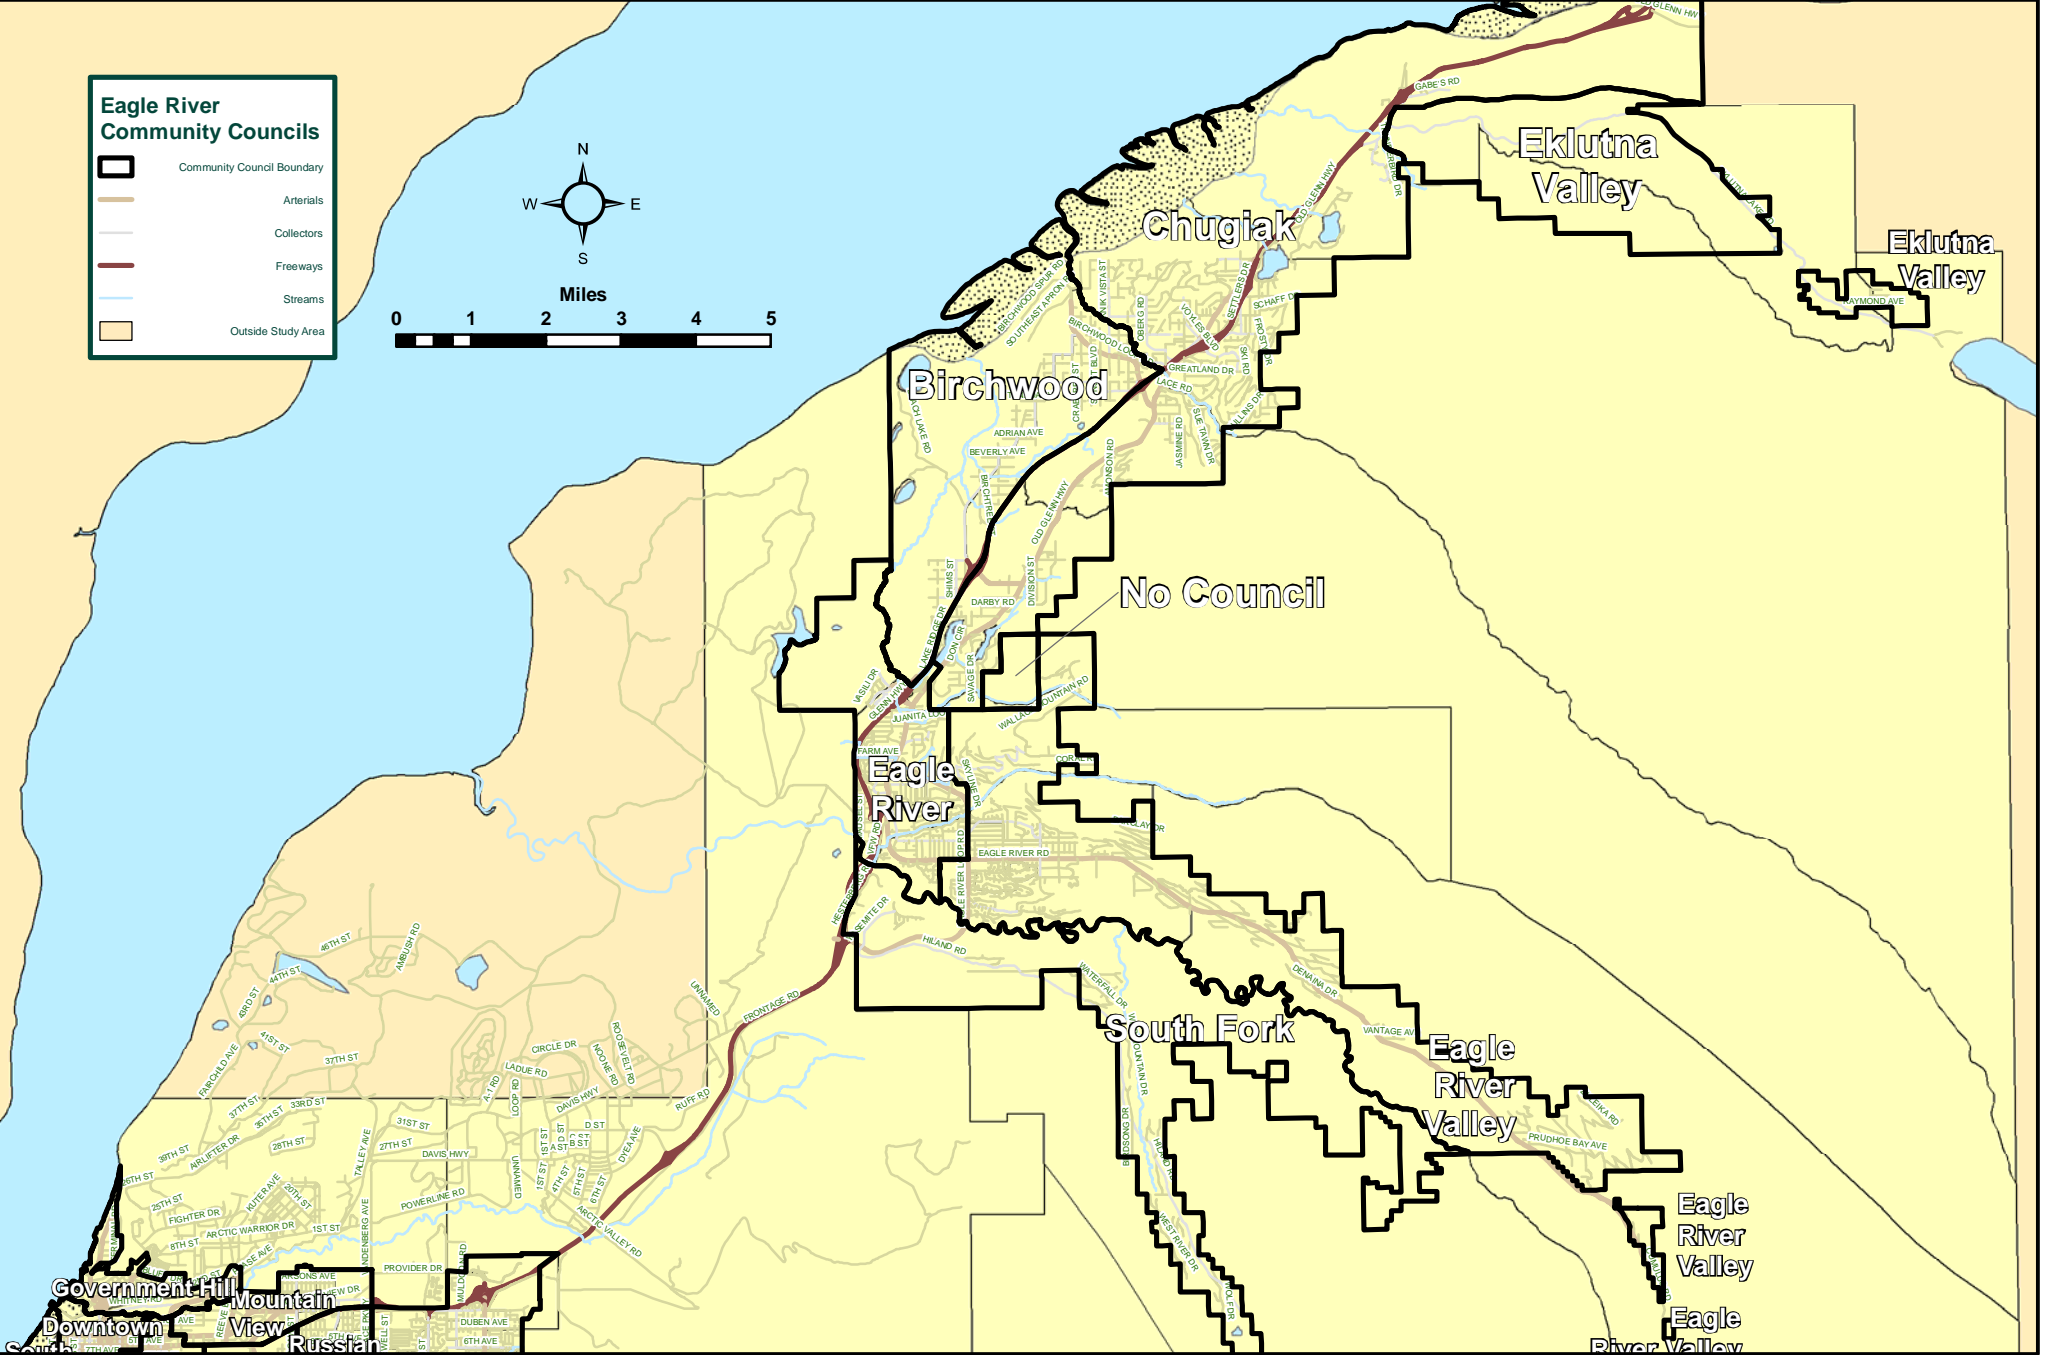

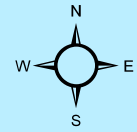

The map sheets in this section are intended to acquaint the reader with Anchorage Community Council boundaries. Community Council boundaries are established by the Anchorage Assembly and designed to support improved public participation in city government. The Community Council boundaries will appear as overlays on all maps regardless of the underlying geography (tract, block group, zip code, etc.) of the map. The Community Council Boundary maps include:

1. Eagle River Community Councils
2. North Anchorage Community Councils
3. South Anchorage Community Councils
4. Girdwood Community Councils
